Bachelor of Business Administration (Hons.) Business Economics

## ACKNOWLEDGEMENT

“In the name of Allah, The Most Gracious and Most Merciful, and Salawat and Salam to his Messenger our Prophet Muhammad SAW”

All praise to Almighty Allah for giving us the strength, patience and guidance in completing this assignment.

The journey of studying and recollecting the information for this report is exhilarating. Special thanks to those who involved in helping to ensure the completion of this report. This acknowledgement is purposely to thank you and appreciation to those following individual for their useful information and suggestion for improving the quality of this project paper.

In addition, I would like to convey my sincere appreciation to my advisor, Madam Sabrina binti Zahari and Madam Masnah binti Mohd Zain, for the encouragement, critique, support and guidance in every stage of this assignment. It is greatly fortunate for me to learn from them, their expertise was indispensable and their patient during the learning process is greatly. Although it was challenging in the initial stage but with the advice from several friends, I managed to complete this task with great satisfaction. Last but not least, I also owe many thanks to my beloved parent, my father Md Adnan bin Abdullah and my mother, Sharidah binti Saad, who inspired me and always trust and always give me full support in my study.

To all our associates, I wish to record out sincere appreciation for the much needed moral support and helpfulness. In sum, without the persistence and encouragement of all those involved this report would not have been possible.
