ACKNOWLEDGEMENT

Practical training report is a task that help me to enhance my knowledge about the construction project that I have involved during practical training and also helps to feel the real experience in the field of employment.

Firstly, I would like to thanks to ALLAH SWT because with His bless, I finally finish my practical training report on time. I also would like to express highest gratitude to all those who have given the assistance and cooperation in many forms whether it is in terms of physically or technically in the completion of this report.

I would like to express my thanks goes to Encik Rohazmi Bin MD Rasid as organization supervisor in company Pingat Harmoni Development Sdn Bhd for giving me permission to undergo practical training on their company and also has provided guidance and advice and authorize me to be directly involved in the activities of the under-company Pingat Harmoni Development Sdn Bhd. Thanks also to all employees at the company Pingat Harmoni Development Sdn Bhd for accepting my presence with an open mind and also provide guidance during practical training.

Our thanks are especially dedicated to Sr.Norehan Binti Haji Mohd Noor, Sr. En. Mohd Nurfaizal and Sr. Mohd Amin as supervisor and coordinator practical training for the lesson that they give in how to manage, done and settle up this report and also their help in giving beneficial input for the report.
