ABSTRACT

The internship report in Diploma Building Survey contains three chapters in which were the outcome that I get by the internship sessions within four months in Sector Conservation, Lembaga Muzium Terengganu, Terengganu, Malaysia. In the first chapter, the explanations of company's details are given including its company background, mission, vision, motto and etc. The contact address also have been written in term of the reader's refer to. In the second chapter, there was the explanation about the theoretical study. In this internship session, the majority of study is on the Building Works and Appraisals. Lastly, in the final chapter, there was the Dilapidation Report in Pura Tanjung Sabtu which is the study case for my report. All the detail has its evidence.

ACKNOWLEDGEMENT

The internship opportunity I had with 'LEMBAGA MUZIUM NEGERI TERENGGANU' was great chance for learning and professional development. Therefore, I would like to show my gratitude to SR. Amir Fasha bin Mohd Isa, my supervisor lecturer of practical training, (BSR360), Universiti Teknologi Mara for giving us a good guideline for assignment throughout numerous consultations.

In addition, I consider myself as lucky person to be part of them. I was grateful for having Puan Hajjah Nor Ainah binti Mahmud, Ketua Sektor Bahagian Konservasi and as my supervisor during this practical period. I express my deepest thanks to her for taking part useful decision and giving necessary advices and guidance and arranged all facilities to make all the work order to be done and go smooth.

It is my radiant sentiment to place on record my best regards, deepest sense of gratitude to Encik Mohd Hafis bin A.Rahman, Tuan Haji Mohd Arif bin. Abd. Razak and all the staff in Conservation Sector because always give the guidance which were extremely valuable for my study both theoretically and practically.

Lastly, I would also like to expand my deepest gratitude to all those who have directly and indirectly guided us in writing this report. I would also like to thank my fellow group members, course mates and other friends in helping us to complete the report.

Sincerely,

Noor Amalini Binti Jalil
Diploma in Building Survey
Universiti Teknologi MARA
