### 3.0 INTRODUCTION OF BUSINESS

#### 3.1 Introduction

“CHOCOJAR CRISPY LETOPZZ” is online based entrepreneurship in form of sole priorities by Rabia’tul Atirah Binti Razli and will be operated at Sungai Pusu, Gombak, Selangor. Chocojar sells coated rice chocolates that have four types of toppings and provide reasonable prices, variety of citations, quality and quantity worth buying. The social media that I used to operate the business is by Facebook with the username, “Chocojar Crispy Letopzz” and URL link provided <https://www.facebook.com/chocojarcrispyletopzz> .

I choose chocojar as my product to start my online business as I want promote to all people so that they changed to eat this snakes. I picked up chocojar directly with a free postal supplier to Poslaju Gombak produced from ChocojarHQ, No.18, Jalan PPSL 2, Sungai Lias Business Center, 45300 Sungai Besar, Selangor. Therefore, I take this opportunity to become an agent and start selling this product through social media. There are many challenges I have to face during that period. One is, sometimes the customer make a booking on late night and ask me to delivery at that night. Hence, I have to work hard on promoting and marketing the product to attract the attention from customers.
