ACKNOWLEDGEMENT

This report taught me how to make an excellent report of installation of door and window at bungalow house that managed by Atira Group Development Sdn.Bhd. Special thanks to our supervisor En. Mohd Asrul bin Hassin that guide me since the first day of this report has been made until the last day of submission. Our supervisor also taught me to finish this report.

Also thanks to Atira Group Development, supervisor en. Zulrushdi and the staff that located at office at Panji and site at Bachok for giving me opportunity to make the practical training at this company.

Thanks to my family for support from money and give an advice to finish this internship report. They also have helped me in many way such as giving the guideline and information how to create an excellent report.
