ACKNOWLEDGEMENT

Assalamualaikum w.b.t,

First of all, thank you to Allah S.W.T for His blessed to give me strength and patience during finishing this report process as required by my department, Department of Building Survey, *Universiti Teknologi Mara (UiTM)* in order to complete my final semester of diploma.

Here, I would like to take this opportunity to express my gratitude and deep regards to my supervisor lecturer, Sr. Dr Alia Abdullah Saleh for her exemplary guidance, monitoring and constant encouragement throughout the course of this report. The blessing help and guidance given by her time to time shall carry me a long way in journey of life which I about to embark.

I also would like to express a lot of appreciation Hj. Saharom bin Mohni, the Director of Department of Property Management for giving me chance for gaining knowledge as practical student in this company. Also an infinite thanks to Madam Nur Filzah binti Ahmad Bakri, the Executive Zon Laman PKNS who give a lot of guidance and experiences along 4 months in this company. Not to forget, thanks to all the names stated below for the commitment, encouragement and for helping me throughout my practical period.

1. Zairulanuar Bin Yusof ,Machinery engineer
2. Rizman Bin Mustafa, M&E engineer
3. Muhammad Zahrin Bin Yahya, Assistant M&E engineer
4. Hadi Khamil Bin Rusly, Asistant M&E engineer
5. Muhammad Raja'ie Bin Muhammad Razali , Assistant Civil engineer
6. Mohd Fadzil Bin Nordin, Assistant Civil engineer
7. Muhammad Ahmad Na'im bin Yadzed , Assistant M&E engineer

Last but not least, I would like to thanks to my parents for encouraging me doing this report and their support from financial issues. Our thanks and appreciation also go to my classmates for helping developing the report I have taken great efforts in this project. However, it would not have been possible without the kind support and help of many individuals and organizations.

Thank you.
