ACKNOWLEDGMENT

First of all thanks to the Almighty God who bestows health allows me to be continuing to struggle in the complete report. I am still able to receive new knowledge which comprehends infinite. To report BSB351, I can make a report with the knowledge blessed by Him.

Next I would like to thank my supervisor, Mr. Abdul Rahman who gave me the opportunity to take all the knowledge to me. Knowledge given is a sweet experience for me because I can use knowledge taught by lecturers to me. I am also able to accept new knowledge of good staffs. These opportunities have inspired me in finalizing the report.

In addition, I want to thank you infinitely my lecturer supervisor of Nor Amin Mohd Radzuan where he was always paying attention to me to complete the report. He always solves my problems in completing the report. He always took the time to listen my problems. Not forgetting the practical training of former coordinator Mr. Mohd NurFaisal Baharuddin and Mrs. Siti Zubaidah Hashim where they have helped me in giving practical information about me and help me in practical management in my area. They always remind me of important dates that sometimes I even forget my own lack. They cooperate in contributing ideas, cooperation and commitment in preparing my report.

Finally I want to thank you also to the parents who are not tired to support current practical and friends who also work tirelessly to provide useful information to me when in trouble in making a report and present practical
