1.0 ACKNOWLEDGEMENT

In the name of Allah, The Most Beneficent and The Most Merciful, and with the blessing of his messenger, The Holy Prophet Muhammad S.A.W, I have completed for the report practical training. Here, I would like firstly express my endless appreciation to my parents for without them, I would not have gone this far in completing this report.

In addition, I sincere thanks to my supervisor, Sr Mariaty Binti Mohd Bahari, and not forgetting all of the lecturers in Department of Building Surveyor. The endless guides that have been provided would be much appreciated.

A million thanks to all of staff Blackfox Engineering Sdn Bhd that have helped me along the way and sacrifice their time for us to share and spare important information throughout the completion of this report.

Besides my advisors, I would also want to thank graciously to all the parties involved directly or indirectly in contributing their expertise, support and guidance that had helped me complete this report and achieve all of the objectives and at the same time, accomplishes more about this topic in the very detail.

Realizing that this study is meaningless, without the acknowledgement of The One who made it all possible, once again thanks are unto The One and Only God, Allah S.W.T, for a blessed family, friends, colleagues, and giving me the peace of mind, body, and soul throughout the completion of this study.

Thank You.

TABLE OF CONTENT

No.	Table of content	Pages
1.	1.0 Acknowledgement	i
2.	2.0 Introduction of organization 2.1 Company background 2.2 Mission & vision 2.3 Organization chart company 2.4 Scope of work and responsible 2.5 Key plan 2.6 Location plan	1-3 4 5 6 7 8
4.	THEORETICAL STUDY/LITERATURE REVIEW	
	3.0 Introduction	9
	3.1 Definition substation	10
	3.2 Type of substation	
	3.2.1 Transmission substation	11
	3.2.2 Distribution substation	12
	3.2.3 Collector substation	13
	3.2.4 Switching substation	14-15
	3.3 Method of statement/ installation work for distribution substation	
	3.3.1 New Design Electric Substation 11 / 0.4Kv	16
	3.3.2 The basic features of the new design of electrical substations 11 / 0.4kV	17
	3.3.3 New design of Main Switch Station 11kV	17
	3.3.4 Site Size Electric Substation and Main Switch Station	18
	3.3.5 Basic Structure Building Electric Substation 11 / 0.4kV & 11kV	19-20
