1. ABSTRAC

Assalamualaikum and have a pleasant day. I would like to thank you my lecture Madam Nor Sara Nadia Bt Muhammad Yunus for giving me this opportunity and advice for completing my assignment. The assignment gives me new experience and learning new technique to started a business. I get to know how to explore new application and make my advertisement of business to look more creative. Thank you.

2. INTRODUCTION

My type of business is food which named as The Kueh which sell various type of kue traditional and modern. Such as kue Ketayap, kue Tausa Piang, kue Seri Muka, cake Batik and so on. Most of the food ingredient started with flour, sugar, water, baking soda and so on. I am using Google, YouTube, Canva application and Facebook application as my application and make my business reference.

3. FIRST MENU KUE TAUSA PIANG

🌸Let's have a tea time with me🌸

Hi and assalamualaikum..let's have some fun. Something is coming soon. It's soft and the texture is a little bit solid. Usually we can ☐☐☐ in the evening.

Can you guess "it" with me? ☐

Stay tune!!!

Have a nice day. 😊
