Date:

Supervising Lecturer

## **ACKNOWLEDGEMENT**

First of all, I would like to express my deepest gratitude to my BSR 360 (Practical Training) supervisor which is Dr Mohd Azian Bin Zaidi, who has been guide and advise me during my final project from the start until the end of the semester for practical training courses. Without his guidance and advise, my final project would not completed finished properly.

Other than that, I would like to thanks my Practical Training Coordinator, Sr Mohd Nurfaizal Baharuddin and Sr NazhatulZalkis Jamaludin who both also helping to guide and advise me to follow the task according to BSR 360 requirements are given.

Beside that, I would like to thanks to my Supervisor at Paramount bounty Sdn Bhd which is Mr. Muhamad Wazir Mohd Jati and Mr Md Abdulhadi for helping me to give information for preparing this report also teaching me during practical training are held.

Last but not least, thanks to my special family and friend that always supporting me through ups and down during this 4 months practical training. Not to forget, my colleagues at paramount bounty too for helping and advise me. Thanks a lot.
