EXECUTIVE SUMMARY

Nur Fiber Glass is specialized on manufacturing fiberglass product that is water tank. We run a partnership business that is contributed by Roshdan Bin Ahmad as The General Manager, Mirza Radiana Binti Muhammad Zawawi as The Administration Manager, Suhaila Binti Saad as The Marketing Manager, Nor Azwa Binti Abd. Wahab as the Operation Manager and Siti Rozoh Binti Mustaffa as the Financial Manager.

Our business capital is RM.172 500 Each partner contribute RM 22 500 and the balance financed by Maybank Finance Bhd. All partners have a good academic qualification and experience in working. We have one clerk and six general workers that help us in running our business.

There are several factors that influence us to choose 319-320 Jalan Zamrud 10, Taman Pekan Baru, 08000 Sungai Petani Kedah as our business location. Which are the monthly rental cost of our office and factory is only RM500.00. It is a small industrial part that is easily to the supplier to find our business location. Besides there are sufficient infrastructure provided in the area.

For administration plan, we had decided to rent 2 lots for the business. One is for the office and the other is for factory to produce the product. Administration plans also aim to manage all the resources, try to receive sort and
