ACKNOWLEDGEMENT

First of all, I would like to express the deepest appreciation to Primula Beach Hotel for giving me the opportunity to learn and working as one of the Maintenance Staff in the Hotel. Moreover, to my supervisor, Sr. Mohd Nurfaizal Baharuddin, who has been guiding me in completing the Practical Training from the start until the end of the semester. Without his guidance and persistent help, this would not be possible.

Other than that, I would like to drop the biggest appreciation to my Supervisor at the Hotel and the maintenance staff, En Wan Rozi (Manager) , Encik Nizam and Encik Khairul who has also been helping and guiding me with my topic, Air Conditioning System in Primula Beach Hotel.

I would also like to thanks my family members and friends for giving me support such as transportation and a place to stay withing my period of Practical Training at Primula Beach Hotel and also for the Foods and Beverages at the Hotel.

Last but not least, I would like to sends my gratitude to my old classmates friend for giving me a guidance and tips on how to prepare a good presentation and reports.
