## ACKNOWLEDGEMENT

In the name of Allah, the Most Gracious and Merciful.

*Alhamdulillah, all praises to Allah for the strengths and His blessings bestowed upon me to complete this academic exercise.*

First and foremost, I would like to convey my deepest gratitude and appreciation to my supervisor, Mr. Kamarol Baharen, for his tremendous patience, time, support, advice and guidance in helping me to complete this academic exercise. Without his guidance, I most certainly would not be able to complete this paper. Thank you very much.

I owe my deepest gratitude to my beloved mother Mdm. Rokiah Rasdi; for her unconditional love, prayers and encouragement. To my dear Abah, Mohd Amin Mahmud, this one's for you. You are indeed, my biggest inspiration. Thank you for watching me and letting me grow, for believing in me, and most importantly, for making me who I am today. I love you all.

The victory of completing this paper is meant to be shared to those who were at the same battle. My heartfelt thanks go to all my SIFE friends especially Sharifah Salmah Al Shatri, Kamilah Shahidan, Ashraf Ariffin & Sakeenah Azman for the constant reminders to finish this and constant support towards each other.

## **ABSTRACT**

This study investigated the competency of the students who are involved with Students In Free Enterprise (SIFE) in leadership and managerial capacity. It also examined the relationship between students' involvement with extracurricular activities and students' competencies and performance. The subjects of this study involved 82 university students from Universiti Teknologi MARA (UiTM), Universiti Tenaga Nasional (UNITEN), Universiti Malaysia Sabah (UMS), Universiti Malaysia (UM) and Universiti Teknologi Petronas (UTP). The study employed one system of collecting data, an online Questionnaire. The presentation of data is varied in the form of tables, charts, and graphs. The findings in this study indicated that students who are involved in extracurricular activities have better management and leadership performance.
