EXECUTIVE SUMMARY

Boutique Nona Manis is a fully online boutique that sell inner and scarf in a variety of style, colors and size with the high quality of material. This online boutique has started to operate online since 1st March 2018. The idea of creating the business's name came from the word 'Nona' means a young woman and 'Manis' means sweet in Malay. We have made a combination of Nona Manis in the hope of the wearer of our inner and hijab will feel like a sweet young woman despite of their age.

Most of the inner and hijab provided in the FB Nona Manis are for women in average of 15 until 45 and above. Our inner was designed from the viscose material therefore Muslimah will comfortably wear it for the whole day without having problem of hair coming out from the shawl. What I personally love it because the inner is not too tight or too loose and just nice according to your head. In terms of hijab, we have provided an instant hijab from the cotton and for those who prefer to look bright and confidence in their appearance can choose our satin shawl.

The price is determined by the size and the design of the products. Our lowest price is started from RM10 until RM44. I believe that the price is considered reasonable and affordable with regards to its quality. Based on the customer's lifestyle that always wants the comfort and quality of the beautiful and neat scarf, we are confident of meeting the demands of our customers and further expand, advance and further enhance the business of Boutique Nona Manis in the hijab fashion.
