EXECUTIVE SUMMARY

Minyak On The Go is a business based at Cyberjaya that provides services to customer's cars or motorcycles that stranded by the highway or any road. We charged RM0.40 for every km from our base to customer's location. Minyak On The Go has just established in 2018 and the idea to run this business came up after few times seeing cars stranded by the highway because their car had run out of fuel. The services offers by Minyak On The Go has received quite warm welcome from the customers since they might sometimes forget or get too busy to fuel up their petrol. Thus, the services offered by Minyak On The Go are quite convenience since they do not have to waste time stranded by the highway for too long and can continue their journey happily.
