ACKNOWLEDGEMENT

Firstly we are very grateful to almighty Allah because with his help we can complete up our business plan for the course, ETR 300. This business plan give us new experience in the process of completing this project paper. We also have learn many thing in how to open of one business.

This business plan is not complete without and encouragement from other variant people who involve directly and indirectly. Thousand of acknowledgement and thanks for those who involved in helping us.

Lastly, our thanks goes to our lecture, Encik Farok bin Zakaria, families and friends for suggestion and support to complete this business plan. Hopefully our project paper will give more benefits to us for our future life.

EXECUTIVE SUMMARY

TECHNO Software Sdn. Bhd is situated at No. 108 Kuala Ibai, KM 8 Jalan Sultan Mahmud, 20400 Kuala Terengganu, Terengganu Darul Iman. We have 29 workers including driver. All workers divided to every sector followed by his job.

We choose this location as our business area because it is surrounded by variety facilities. Beside that, it is near to the town and was a strategic place for business like we done. Our business operates 6 days per week with 8 hour per days except Thursday just for half day. Through the financial plan, we can say that our business is profitable and this business will be famous in the future.
