Each explanation is divided into four main chapters, which is introduction about the organization, information organization, industrial training activities, and industrial training reflection. Introduction to the activities involved and implemented special projects are described in a full detail. This industrial training has also required practical student to conduct a study on access trends electronic resources through EzProxy System among academic and non-academic staff in Perpustakaan Tuanku Syed Faizuddin Putra, UniMAP. The task given to practical student after finished all the activities and training in every department and unit. This special project also can provide practical student to face and handle with a big data and know how to analyzing data from system server. Throughout this special project also training the practical student to face real challenges in working phase in the real industry.

KEYWORDS: *Universiti Malaysia Perlis (UniMAP); Tuanku Syed Faizuddin Putra Library; EzProxy System; electronic resources;*

ACKNOWLEDGEMENT

First and foremost, all praises to Allah for his showers of blessings throughout my industrial training to complete the report successfully. I would like to express my deep and sincere gratitude to my supervisor at the industrial training place, Puan Mazmin Binti Mat Akhir (Chief Librarian) and Encik Md Nizam Bin Azid (Deputy Chief Librarian). Their sincerity and motivation have deeply inspired me and taught me to carry out the special and to present the special project as clearly as possible. It was a great privilege and honor to the success of this report under their guidance and I am extremely grateful for giving me a chance to do industrial training in their organization. Also I express my thanks to all the office staff in Tuanku Syed Faizuddin Putra Library, Universiti Malaysia Perlis for the guidance in training and explaining during practical.

I would like to express my appreciation to the Dean of Faculty of Information Management, Prof. Dr. Sohaimi Bin Zakaria, my lecturer and supervisor, Mr. Mohd Faizal Bin Mohd Ramsi for their support and help towards my undergraduate affairs. My special thanks also goes to all the office staff of Faculty of Information Management, Rembau Campus for their co-operations.

I am extending my thanks to all my friends for their support during my practical training. I am very much thankful to them for their love, understanding and continuing support to complete this practical training especially in special project.

Sincere thanks to all my friends for their kindness and moral support during my study. Thanks for the friendship and memories. Last but not least, my thanks go to my family, who have supported me to complete my industrial training in Tuanku Syed Faizuddin Putra Library, UniMAP. My thanks go to all the people in this training and project who directly or indirectly giving support and complete in my industrial training.

Nurul Syifaa binti Yusof, 2015238738
