PENGHARGAAN

Bersyukur ke hadrat Ilahi dengan limpah kurnia serta keizinanNya dapat kami menyiapkan kajian ini dengan jayanya. Setinggi-tinggi penghargaan dan ribuan terima kasih diucapkan kepada semua pihak yang terlibat secara langsung dan tidak langsung bagi membolehkan penyelidikan ini disiapkan dengan sempurna.

Diantaranya :

YM. Prof. Madya Tg Yusoff Tg. Mahmud
Pengarah kampus UiTM Terengganu)

Prof. Madya Wan Dorishah Wan Abd. Manan
Timbalan Pengarah kampus (Akademik)

Pn. Norazamina Mohamed
Koordinator URDC UiTM Terengganu

dan

Semua pihak yang telah memberikan kerjasama dan sokongan di dalam menjayakan penyelidikan ini

ABSTRACT

This study examines the level of government servant's perception toward Motor Islamic Insurance. The product based on syariah principles for general insurance provided by Insurance Company in Malaysia. In order to examine the government servant's perception, this study emphasizes on four factors, which product knowledge, awareness, advertising and benefit of the product. The purpose of this study is to identify whether there is a relationship between the independent variables (four factors) with the dependent variable (perception). The respondents are the government servants who using Motor Islamic insurance. This research is done though the finding and multiple regression and Pearson correlation analysis where we can see the strong relationship between knowledge, awareness, advertising and benefit of the product toward perception of Motor Islamic Insurance among government servants in Dungun, Terengganu.
