ACKNOWLEDGEMENT

I would like to express my thanks and appreciation to Associate Prof. Puan Hj. Zaiton Ahmad, my lecturer and my supervisor for her support and guidance in the preparation and completion of this study.

A very special thanks for the support that was received from all the headmasters and the English language teachers that were involved; Sekolah Kebangsaan Simpang Rawai, Sekolah Kebangsaan Bukit Payung, Sekolah Kebangsaan Pasir Tinggi, Sekolah Kebangsaan Tasek and Sekolah Kebangsaan Bukit Sawa on cooperation in making this report to be done.

My heartfelt appreciation and gratitude beloved wife and child that had given me support, patience and understanding in making this study as a big success in my life.

Not forgetting to all the lecturers of B. Ed. TESL and my fellow course mates of B. Ed. TESL for the support, encouragement and cooperation will never be forgotten.

Last but not least, thank you to Allah the Almighty for giving me the strength to complete this research.

Abstract

This research concentrates on the effectiveness of using video as teaching aid in teaching English language in Malay primary schools. Here it tries to detect what are the problems that had trouble the teacher in using this teaching technique.

In this research, it is about 5 schools that are involved and the schools are Sekolah Kebangsaan Simpang Rawai, Sekolah Kebangsaan Bukit Payung, Sekolah Kebangsaan Pasir Tinggi, Sekolah Kebangsaan Tasek and Sekolah Kebangsaan Bukit Sawa. 5 teachers from each school to make this research successful.

Through the finding of the study, we can detect the problems that had made the teachers would not use the video as one of their way in approaching the English language to their pupils in the learning process. Here we will try to untangle the problems to make video useful to the teacher.

Video is one of the most powerful elements that could change the potential of the pupils in a short term. So the teacher must play the role to make sure the pupils could manage the English language in the most effective way so that the English language could help the pupils to face up to the new world.
