Alhamdulillah, all praise and thanks to Allah, who has blessed me with his mercy and provided me with the strength to successfully complete my social media portfolio. This assignment's progress and final completion need a great deal of direction and assistance from a large number of people. Whatever I've accomplished has only been possible because of their direction and aid, and I'd like to express my gratitude to them.

I'd want to express my heartfelt appreciation to Puan Nur Shahrulliza Binti Muhammad for providing me with the opportunity to finish this assignment and for providing me with all of the support and advice that enabled me to complete it on time and inspire me. Furthermore, I am extremely grateful to my parents for their unending love, support, and du'a. Apart from that, I want to thank my classmates and best friends for always be there to encourage me and motivate me when I was down.
