## **Abstract**

*Abstract: Practical training is part of important task for finishing school students to complete their Bachelor's degree that offers opportunity for students to adapt with new environment in job sectors, practice new skills, learn new things and develop professional skills includes technical and social skills. The objective of practical training is to guide students specially to adapt with works environments and familiarize them with real situation of working life. Through the training, they can acquire new knowledge which they can apply by practicing what they have learn before. Sultan Badlishah Library support education especially for teaching and learning with provides a variety of information sources for their users. The operation of the library is started in 1998 which it can stated as one of information center provides by UiTM Kedah. Each of training students will be inspected by the supervisor that has been appointed by their faculty to follow students' performance during their practical training.*
