Title : Awareness of Civil Servants in Maintaining Public Property: A Study at Jabatan Perkhidmatan Veterinar Negeri Selangor

Signature of Student :

Date : January 2019

ABSTRACT

Vandalism symptoms often occur in Malaysia which has caused a lot of loss to the government due to the cost of repairing the damage. The vandalism symptoms often occur among adolescents and some of those who are already working. This possible due to the lack of education related to manners of public property. It happens everywhere and the creative ones will spell with words that are shameful and can cause anger. The creative naughty hands will continue to 'work' regardless of who the owner of the 'public property' is being damaged. This research is to study about awareness of civil servants in maintaining public property. Firstly, the researcher investigates the level of knowledge and understanding of civil servants about maintaining public property. Secondly, the researcher want to know the perception of civil servants relate to the maintaining of public property. Thirdly, this research purpose to examine the relationship between knowledge, understanding and perception of civil servants with their awareness in maintaining public property. The analysis of this research involved 50 respondents; all of them are civil servants from Jabatan Perkhidmatan Veterinar Negeri Selangor. For the methods of analysis, Frequency Distribution, Descriptive Analysis, Reliability Test, Pearson Correlation Coefficient and Hypothesis Tested were adopted to analyze the results. The results show that majority of the respondents aware that public property should be well maintained. Lastly, this study also provides recommendation for few aspects base on the results of the finding and recommendations for future research who wish to pursue this study or have an interest in doing the same research.

ACKNOWLEDGEMENT

In the name of Allah, the Most Compassionate and the Most Merciful.

The Messenger of Allah (PBUH) said that if someone did not thank the people he did not thank Allah.

In the preparation of this research paper, my academic paper for Bachelor Degree, I have been indebted to many people around me who showered their contribution, help, guidance, love and prayers upon me during the process to complete this piece of work.

My deep hearted most gratitude and gratefulness go to my supervisor Dr. Rafeah Binti Saidon for her guidance, patience, motivation, understanding and most importantly she has provided positive encouragement throughout my final year project. She has guided me, Muhammad Hafizuddin Zamir Bin Hassan, a student of Bachelor in Muamalat (IC 210), to conduct a project this project paper titled “Awareness of Civil Servants in Maintaining Public Property: A Study at Jabatan Perkhidmatan Veterinar Negeri Selangor ”.

Not forget also special thanks goes to my parents which are Hassan Bin Zain and Wan Zainab Binti Wan Othman whom always give me full support in morale, financial, prays and motivation. Without them, I'm not sure can go through this entire study journey. Besides, my thanks also go to all the respondents who landed me their time to answer my questionnaire and give me positive support.

Finally, I also like to acknowledge to all those who have helped me directly and indirectly in the successful completion of my final year project especially to my senior, batch mate and classmate. I pray to Allah to give all of them the best reward they deserve with successful in the world and hereafter.
