ACKNOWLEDGEMENT

Assalamualaikum w.b.t,

First of all, I would like to thanks to Allah S.W.T for giving us strength and patience during finishing this assignment process and also for making this project to be easier till the end. I also would like to thanks to Renaissance Hotel Johor Bahru for accepting me interning at this hotel and help me with my research and report.

Next, I would like to take this opportunity to express our gratitude and deep regards to my Supervisor Shanmugam Kandasamy (Duty Engineer), and my lecturer Pn. Nadira Ahzahar for their exemplary guidance, monitoring and constant encouragement throughout the course of this assignment. The blessing help and guidance given by them time to time shall carry me a long way in journey of life which I'm about to embark.

Last but not least, I would like to thanks to my parents for encouraging me doing this task and their support of0 financial issues. My thanks and appreciation also go to my internship friends for helping me with the project and people who have willingly helped me out with their abilities and deepest appreciation for giving such a lot of efforts, contribution, attention and time in order to complete this task until it have done.

I had taken great efforts in this project. However, it would not have been possible without the kind support and help of many individuals and organizations.

Thank you.
