Academic Writing Title : Level of Awareness towards retirement planning:
Case Study on Amanah Raya Berhad Kuala Lumpur
Signature of Student :
Date : July 2018

ABSTRACT

The Employees Provident Fund (EPF) and pension scheme are the largest provident fund scheme available in Malaysia but currently there are not sufficient in funding the retiree. The main purpose of this exploratory study is to identify the level of awareness of towards retirement planning among Amanah Raya Berhad staff and investigating if any factors (knowledge, marketability, and social) influencing the awareness towards retirement planning among Amanah Raya Berhad staff. This study applies quantitative approach with the use of survey questionnaires as the main instrument of data collection. A total of 100 respondents were selected for the purpose of this study. Data collected was analysed using descriptive analysis, Pearson Correlation Coefficient, and ANOVA. In general, findings of this study show that relatively, the level of awareness towards retirement planning is still low. In addition, only 40% of those that aware about this scheme. Various factors influencing awareness were found to have an influence on retirement planning among Amanah Raya Berhad staff. Overall, this study gives some information on the awareness towards retirement planning among Amanah Raya Berhad staff and factors influencing awareness on retirement planning among Amanah Raya Berhad staff.

Keywords: Amanah Raya Berhad, Employees Provident Fund, pension scheme, retirement planning, awareness.

ACKNOWLEDGEMENT

I give thanks to The Almighty Allah for His help in seeing me through my degree program. I would like to express my deepest appreciation to all who have been very helpful and supportive throughout the process of conducting my Final Year Project.

I put forward my sincerest appreciation and admiration to my supervisor, Siti Fatahiyah Mahamood, for the continuous support, patience, motivation, enthusiasm and immense knowledge throughout my final year project. Without her kind guidance, this report may not have been completed. She has instructed me, Mohamad Zul Asyraf Bin Abd Muthalib, a student of Bachelor in Muamalat (IC210), to conduct a project paper titled “Level of Awareness towards Retirement Planning: Case Study on Amanah Raya Berhad Kuala Lumpur”. Her guidance helped me a lot in all the time of my study and writing of this thesis. My thanks also go to my respective examiner, Fatimah Binti Salleh.

Besides, my special thanks goes to my industrial training supervisor Miss. Rosmah Binti Mansor who are Senior Manager at Trust Administration department at Amanah Raya Berhad who give idea about this study and Mrs. Puan Norlela Binti Atan Head of Department in Trust Administration department that gives me some important information regarding this study and to my dearest family members as well for their unconditional love, support, encouragement and also insightful comments. Once again, thank you from the bottom of my heart. Some information background, statistical data, together with significant information needed to cover to support the report and it is compulsory to submit this report in July 2018.

May Allah bless all of you and thank you very much.
