ACKNOWLEDGEMENT

BSR360 (Practical Training) has teaches me how to construct an excellent and commit report on ZMA Bina Sdn Bhd. Special thanks to my supervisor lecturer, Puan Mariaty Binti Mohd Bahari that guide me throughout the whole process of the report and advise me in many ways. My supervisor already thought and contribute many ideas in order for me to finish this assignment. Also special thanks to my lecturer who has been teach me the guideline for course code of BSR360 subject Sr. Mohd Norfaisal Bin Baharuddin.

Also special thanks to Encik Mazrulnizam (Director), Encik Zulhamzi Mohktar (Managing Director) and Encik Khairun Anuar (Director) for giving me opportunity to training at their company for about 4 months period. I also appreciate to Encik Ismail and Encik Nazrul (Site Manager) whose give me a lots of information and advice regarding the building construction which related with my case study for the practical report. Not forgotten to all the staff of ZMA Bina Sdn Bhd that friendly and helped me during my internship.

Last but not least, special thanks to my beloved friends and family for supporting and give me a lot of advice and motivational tips to ensure me to finish this practical training report within the deadline. They have helped me in many way such giving me guideline and information how to create an excellent report.
