JellyJoy Shop is the name that we choose for our company and the business will start to operate on 1st January 2004. There is a reason why we choose this name. "JellyJoy" itself have already showed the meaning, how happy and cheerful our shop is. That is what we want the customers know about our shop, happy and cheerful.

We decided to involve in selling deserts because there are only a few entrepreneur involved in this kind of business and the second factor is we can see the increasing demand on deserts from time to time. We know that this business has a good potential to succeed although it might took some time.

JellyJoy Shop is located at 182, Jalan Lagenda 1, Lagenda Height in Sungai Petani, Kedah. We choose this particular location by looking at the population, our target market, systematic structure and facilities such as communication network, transportation, competition and the development of that area.

For our attention, Rasulallah has always encourage his ummah and society to involve in the business field because 9/10 of our income comes from this resources. Our hope is to see a lot of Bumiputra never afraid to take the challenges by involving themselves in business world.
