ACKNOWLEDGEMENT

Industrial practical training has teach me how to make an excellent report and learnt to manage and maintain all of building services that available in Hospital Sungai Buloh. Special thank you to my supervisor SR Mariaty Mohd Bahari that guide me since the from the frist stage of this report has been made until the last day of submission. My supervisor already thought so many thing to finish this assignment .

Also special thanks to Radicare (M) Sdn Bhd because for accepting me to undergo my practical training in their companies. Do not forget to my supervisor in Radicare (M) Sdn Bhd Sungai Buloh Branch, Encik Muhammad Rohaizad bin Rosslan and Puan Rozaini bin Abdul Kadir that incharge me and take a good care about my safety throughout the period of practical training and also facilities management department for spending their time and give me more information that I need about this building and maintenance of building services.

Thank you to my family and friends for support and give an advice to finish this practical report. They have helped me in many way such as giving me guideline and information how to create an excellent report.
