## ACKNOWLEDGEMENTS

Assalamualaikum,

Here I would like to thank for my lecturer Pn. Zuraihana Binti Ahmad Zawawi a lot to teach me throughout complete this task until completion. Besides she many teaching me how to complete this task. She also shows examples of the last report, so that I can understand how to complete the task successfully.

And not forgetting my supervisor, En. Nazrie Bin Nawawi have give me many an opinion and the best guidance in completing the task successfully. I am very grateful that he helped in spite of my many problems in completing the task. Although I do a lot of errors in the completion of this assignment, he was patient in giving me guide taught.

I also very grateful for the work of construction site have a good and friendly staff. Workers on the site have helped me in providing guidance and give information to me for inclusion in my report.

In addition I also very grateful to my parents for the support from back when I had difficulty in completing the task. Arrangements are many other also provide money for expenses to print this report. I am very grateful because they always understand my predicament.

Not forgetting, a lot of friends who provide assistance if I need help in completing the task.
