Faculty	:	Academy of Contemporary Islamic Studies
Academic Writing Title	:	Case Study on Affecting Financial Management Of Employees at Department of Veterinary Services Selangor
Signature of Students	:	
Date	:	July 2018

ABSTRACT

Financial management played an important role in our life. Without a proper financial management, it will cause a lot of problems that might occur in the future. The mismanagement of financial will lead into a greater negative cause. This problem is continuously happen in today society. Hence, a research need to be done to view the financial management of employees at Department Management Services (*Bahagian Khidmat Pengurusan*) , Department of Veterinary Selangor. This research involves 30 respondents who had been choose randomly. This study adapts quantitative approaches where substantial academic works would be reviewed using content analysis from the questionnaires. This study further submits that salary, family structure are affected to financial management.

ACKNOWLEDGEMENT

Praise be to Allah SWT, peace and blessings be upon the Prophet Muhammad SAW. Alhamdulillah, to the utmost gratitude of Allah SWT for my permission and bounty, I can complete this study. All praise and thanksgiving to Allah SWT who has provided health, strength, and patience in completing this scientific study to meet the graduation requirements of the Bachelor in Muamalat.

Thank you very much to Ustazah Hanifah Musa Fathullah Harun (Senior Lecturer) as a tireless supervisor to provide guidance, thoughts, and helpful to me as long as under her supervision. Also thanks to my advisor Ustazah Che Zaharah Bt Abdullah (Senior Lecturer) of Academy of Contemporary Islamic Studies for all the advice given to me.

My appreciation goes to Encik Syawal Samin (Head Unit of *Bahagian Khidmat Pengurusan*) and employees at Department of Veterinary Services Selangor who gave fully cooperation and assistance during collecting data and samplings. Thank you to my lovely family members especially Encik Abu Arijal Abdul Wahid, Puan Zainab Haji Husin and Nur Azmina Abu Arijal who have been extolling my success and giving moral support and strength so that I can complete this research.

Thanks to our friendly colleagues who always give encouragement and enthusiasm and thanks to all those who donate assistance either directly or indirectly. May Allah SWT repay and give infinite rewards to all who have been involved. Of course, your service can not be forgotten. Finally, I request millions of forgiveness if there is any confusion in understanding the writing that has been submitted. Indeed, all that is good comes from Allah SWT, and any error or mistake found in this writing comes from my weakness. Wallahu'alam.
