ACKNOWLEDGEMENT

Alhamdulillah, Thanks to Allah for His strength and wisdom given to me in completing my research which I thought it was impossible at first but He provides me with all the strength to move on and get through all the difficulties to finish my research.

There are many individuals whom I would like to thank for their involvement in the making of my research. Special thanks to my thesis advisor Assoc. Prof. Khairil Johari bin Johar for his guidance and sacrifice his time in helping my with my research and also thanks to all my lecturers for their kind and motivate support in order for me to complete my research. This study would have been difficult without their guidance and support.

A big thanks to my samples for their time and support and willing to be my respondents for my research. To the four teachers that willing to be my samples, I really appreciate your help and kindness. Thanks again.

I am also grateful to for the endless support in terms of financial, emotional to my parents En Amir Rasid bin Derani and

. They are also my wisdom and strength during my study in UiTM and always praying for my glory. To all my siblings, thank you so much for all the motivation and knowledge sharing during the process of completing my research. Thank you for everything and I really appreciate for all the support and encouragement.
