ACKNOWLEDGEMENT

ALHAMDULILLAH....

In the name of Allah, the Almighty, with His Devine permission, I have been able to complete this dissertation titled ' The Identity of City / Town Based On The Traditional Urban ; A Case Study In Georgetown Penang ', as required by Bachelor's Degree coursework. Consequently, I would like to thank the following people who have contributed to the completion and success of this dissertation.

First of all I would like to thank my parents who have been spiritually and economically supportive. Also to my supervisor lecturer, Associate Professor Hj. Amran Abdul Rahman, who have been very patient and instructive in helping me completing this dissertation.

I would also like to thank Mr. Nordin Mat Jaafar, Mr. Suhaidi Sulaiman and Architect Tan Lim Hai from the Heritage Division, Majlis Perbandaran Pulau Pinang for the information given about the case study selected and also my colleagues who have been very supportive in various forms.

Finally, I would like to thank again the peoples who have been involved directly or indirectly in the production of this dissertation. Their various inputs in various forms have been extremely beneficial to the completion of the dissertation. All of their contributions and input will be remembered with gratitude.

Thank you....
