Volunteer Service

Besides organizing activities related to English, the English Club also decided to focus on other aspects. Due to the COVID-19 pandemic, many sectors were affected and one of them is the animal shelters all around Malaysia. When we first planned this activity, we had big hopes to visit a shelter called Cat Beach Sanctuary which is in Teluk Bahang, Penang. Our initial plans were to go there on 19 June 2021, visit the shelter, clean some parts of the shelter, groom some cats, and bring some of their needs like milk, kibbles, wet food, and wee-wee pad.

However, due to the Movement Control Order (MCO) extension, we were unable to proceed with the plan. We started the donation drive from 15 April to 9 May 2021 and an amount of RM 348 was received from the public. On 10 May 2021, the English Club advisor contacted the owner of the shelter to enquire on the items needed. On 18 June 2021 the items were purchased online via 'Shopee' and were shipped directly to the Cat Beach Sanctuary. Among the items purchased were wet wipes, kibbles, wet food, and rice.

Donations

According to the project manager, out of RM 348 received, 81.3% were from the Permatang Pauh campus students while 15.6% were from the Bertam campus. Overall, the students contributed 96.9% of the donation while the remaining 3.1% were from outsiders.
