The fighting spirit that flows within herself is for Gaza's victory. The woman's jihad warrior behind the mask is to fight for the sake of Allah. The struggle, the pain, the burden, the bloodshed of war are the proof of sincerity of gender equality and women's empowerment around the world.

Gaza women confess that their blood is a sacrifice for Al-Aqsa mosque. Dying for the life of their homeland is an important duty for them. For them, resisting an quelling the enemy is the is the duty of every Muslim, male or female. A woman can go out to fight the enemy without her husband's permission.

Women in Gaza are seen as soft, gentle and innocent but their duty as mothers in Arab and Islamic is very big and significant. The mother is the school that prepares the children and sends them to martyrdom in defense of the homeland. The culture is within all of us. This shows that each of the women in Gaza plays an important role to fight for the freedom of Gaza. Pray for Gaza, pray for their safety and may peace and calm be restored. Palestinians deserve freedom, peace and prosperity.
