On that special day

The sky was bright

The news was spread

Here comes the rahmat from Allah

Here comes the light for the entire world

Someone special has been born!

He who will be spreading the words from Allah

Come what may, nothing can stop his dakwah

For he is protected, guided, and blessed by the Rabb

For he is Muhammad S.A.W., the Rasulallah

Ya Rasulallah

How blessed is he

The person whom Allah loves the most

The prophet who was tested the most

The Rasul who is being followed the most

The opponent who was envied the most

Yet still, he was humble, the most!

For he is Muhammad saw, the Rasulallah

Help us and guide us oh Allah

To have the akhlak similar to Rasulallah

The most patient, the most pious, the most generous

And yet, the humblest amongst all

For he is Muhammad S.A.W., the Rasulallah

Ya Rasulallah

To know him is to love him

To love him is to follow his Sunnah

The sunnah that will lead us to the right path

The right path so that we will be united with him in Jannah

For to be with him is the dream of all ummah

For he is Muhammad S.A.W., the Rasulallah

*صَلَّى اللهُ عَلَيَّ مِنْ شَيْءٍ نَبَأِ مُحَمَّدٍ
وَأَلِهِ وَسَلَّمَ*
