Alhamdulillah, all praises to Allah for the strengths and His blessing in completing this report Tendering Process of Renovation Works at Lembaga Tabung Haji Banting, Selangor. According to the schedule set successfully. On this occasion, I wish to express my gratitude goes to Lembaga Tabung Haji for giving me the opportunity to undergo industrial training at their company and thanks also to my supervisor, Mr. Haji Zaharudin Bin Hamid for giving me the opportunity to learn by practical at office, construction sites, and invaluable experience as knowledge to me in the construction work. This gratitude also goes to my supervisor lecturer, Mr. Sr. Nor Amin bin Mohd Radzuan, who is willing to provide guidance and tutoring during the process of preparing this report. To friends who were willing to help and inspire as well as to the parties involved, directly or indirectly, thousands of thanks for giving me encouragement throughout the learning process is to realize that in this report. Lastly, before withdrawing, I hope that my work can provide a useful guide to me and bring benefits to the judge.

1.0 HISTORY AND DEVELOPMENT OF TH

Figure 1.0: Logo of Lembaga Tabung Haji

TH was incorporated in 1962, is a manifestation of the Malaysian government concern over the welfares of the Muslim populace in relation to their pilgrimage to the Holy Land. The fundamental concept behind the incorporation was to enable Muslims to save for pilgrimage without fear of the money being tainted by '*riba*'. Basically, **TH** has a two-pronged strategy. It aims to rectify the social-economic problems of the Muslims while at the same time allows them to invest and effectively participate in the nation's economic development.

Broadly speaking, **TH** has the following goals:

- To enable Muslims to save gradually in order to provide for their expenses in performing the pilgrimage or for other expenses beneficial to them;
- To enable Muslims through their savings to participate in investments in industry, commerce and plantations as well as real estates, according to Islamic principles; and
- To provide for protection, control and welfare of Muslims while on pilgrimage through various facilities and services of **TH**.

As the number of pilgrims increases every year, **TH** continues to strive to enhance its facilities and services. Since its inception, the regular facilities and services for the pilgrims include saving deposits, transportations and visa, information and guidance on pilgrimage and religious rituals, accommodation, medical services and health care. In 1970s, the ratio of
