

## THANK YOU

Nur Azimah Binti Idris

That night, fifteen years ago,  
Through one phone call, we received the news,  
The eldest's weeping broke my heart and soul,  
It dawned on me that you will never come back,  
To Allah you return, with heavy heart we accept.

Of all the days in the world,  
Eve of Eid was the day you left,  
Of all the possibilities it could be,  
Your prayer was answered made me content,  
Even when the shock left me in pains,  
Thank you Almighty for making me strong.

Mom,  
Loving you is never a choice,  
For you are the most precious gift I ever had,  
Longing for you will never end,  
For the void I felt will never be filled.

Thank you for your care,  
Thank you for your sacrifices,  
Thank you for every single thing,  
May Allah grant you the highest place in paradise.
