ABSTRACT

SBS Indahjaya Development Sdn Bhd that chose for my placement to the the practical training. SBS Indahjaya Development Sdn Bhd are located at Jalan Kuala Krai, Kota Bharu, Kelantan. The location is very strategic because Jalan Kuala Krai are the new city in the Future. At the same time, SBS Indahjaya development is a success developer. It is because There are many site project are in operation.

For practical training, I have chosen SBS indahjaya Development Sdn Bhd, Jalan Kuala Krai, Kota Bharu, Kelantan. I chose this company because there are many people inside and one of the successful construction and developers company in Kelantan. The company are located not far from my home. So, It can make easy for me to go to the company and complete my practical traiing at there. I think, I may be able to gain a lot of knowledge in the organization and how to interact with employees who work in it. I had previously studied soft skill at University Teknologi Mara (UiTM), Seri Iskandar, Perak. I feel I have gained while in the basic construction industries.

ACKNOWLEDGEMENT

I owe great many thanks to great many people who helped and supported me during my practical training.

My deepest thanks to Lecturer Mdm Zuraihana Binti Ahmad Zawawi, the Guidance of the project for guiding and correcting various documents of mine with full of attention and care. She has taken so much pain while going through the project and makes necessary correction as and when needed.

I love to express my sincere gratitude to En. Muhd Syazwan Bin Suhaimi, Manager of SBS Indahjaya Development Sdn. Bhd. for accepting me to complete my practical training at the company. Also, I like to give a great thanks to him for providing the opportunity and guidance along my practical training.

I would also thanks to office staffs, my coursemates and practical members at the same company without whom this report would have been a distant reality. I also extend my heartfelt thanks to my family and well wisher for supporting me along the time of completing the practical training.
