## **ACKNOWLEDGEMENT**

Alhamdulillah, thanks to God because of His blessings and grace that was dealt to me, I managed to complete the program of practical training almost 4 months and complete this practical report writing. First of all, I would like to say a big Thank You to all the lecturers Department of Building Surveying , Universiti Teknologi Mara ( UiTM ), Seri Iskandar campus because not tired of educating and pour knowledge valuable for me until I managed to undergo practical training program successfully. Gratitude also goes to the Gerbang Nusajaya Sdn Bhd for accepting students for the practical exercise of practical training there from 1 December 2014 until 1 April 2015. Thank you to Sr. Nurul Fadzila Zahari supervisors responsible as monitor and who always help and guide me during prepare for practical training report. I would also like to express my appreciation to all officers and employees of the Gerbang Nusajaya Sdb Bhd as much help and share their knowledge with me and also in doing this industrial training report. Finally, appreciation addressed to my parents who have always supported me and never tired of giving me spirit to finish this practical training.

## **ABSTRACT**

There are many type of concrete I have done while I'm in Gerbang Nusajaya team in Perumahan Kastam Larkin such as solve problem in the building when the problem occur. Throughout my as trainees in the Perumahan Kastam Larkin I got a lot of new thing that I have, one of them working concrete work carried out and monitoring concrete work.

During the four months of practical training at Gerbang Nusajaya Sdn. Bhd., I have learned how theory and practical can be combined together in useful ways and how remarkable and enjoyable practical training could be. While deadlines and skills are highly demanded, creativity is not limited and true innovation occurs throughout my practical training at Perumahan Kastam Larkin As a result, I gained more knowledge and learned new things and most importantly I experienced the real working environment all by myself.

In term of relationship, I was lucky enough to work with a group of enthusiastic and communicative people, who for whatever reason willing to share their knowledge and experience of what they are doing. Besides, the atmosphere at Perumahan Kastam Larkin is unique and hope that it will stays that way.
