EXECUTIVE SUMMARY

I gladly present you my case study on entrepreneur competency. I have prepared this case study on Mr khairolfizal an entrepreneur and CEO of Pusat Tuisyen Pintar An Nur. This report is prepared to collect data and information about the entrepreneur himself and also the company he runs.

Although the main target of this case study is to examine and make a conclusion about the good entrepreneur, boss and leader. I am very grateful because you always help me and guide me to complete this case study perfectly.

he is an entrepreneur as well as a good leader based on observations and data collections that have been collected during his interview on the basis of google form platform and WhatsApp application. many competencies in him as attached in the entrepreneurial competency's column.

The company that I choose to my assignment is Pusat Tuisyen Pintar An Nur. This company the company provides educational services to young people especially for those with problems in mathematics and arithmetic. This tuition centre located in Terengganu provides many types of benefits both to students and employees there as well.

ACKNOWLEDGEMENT

I would like to express millions of thanks to my lecturer for subject ENT300, fundamentals of entrepreneurship, Madam Nur Haslina Binti Ramli or the golden opportunity given to me to do this wonderful assignment which also helped me doing this project from beginning until perfectly complete. Indeed, a lot I have learn when I do this project. Next, I would like to thank also to the friends who have helped a lot and gave advice throughout my making this assignment. only God is able to reward the good deeds of all of you. Also thank my parents who have prayed for me to make it easy for all the work I have done especially for this project. Not forgetting also to myself who is willing to sacrifice rejecting all lusts in procrastinating in doing this task.

indeed, there are many benefits that I gained during the making of this case study, especially in the aspect of entrepreneurship and also in evaluating and reviewing the data obtained. hopefully what I gained during the making of this project will give a thousand and one benefits to me and also to everyone who made this case study as well.
