ACKNOWLEDGEMENT

First of all, a full gratitude to Allah S.W.T., I have been given the opportunities to complete the Practical Training Report perfectly on the stipulated time given. I would like to dedicate my appreciations for those who had sacrifice a lot and spend much time to lend a helping hand, giving a supportive advices and constructive criticism and opinions in finishing this practical training report especially to Pn Zuraihana Ahmad Zawawi who has been a very encouraging supervising lecturer for guiding me throughout the completion of this report. Special thanks also dedicated to those who are directly involved in helping me experiencing my practical training phase in JM-Jurutera Perunding Sdn. Bhd at Subang Jaya, Selangor Darul Ehsan . Especially to the Director of JM-Jurutera Perunding Sdn.Bhd. Ir. Hj. Zahri Jiman who have been give me opportunities to complete my practical training at this company. Also special thanks to En. Mohd Ekhsan Bin Ghazali as my supervisor at this company very cooperative and supportive during my practical training in JM-Jurutera Perunding and been very bountiful by giving me beneficial advices and knowledge.

Also, thousands of thanks dedicated to Puan Siti Nazirah Binti Abdullah (administration), Cik Tengku Nurul Aiza Binti Tuan Hamzah (engineer), Cik Norzila Binti Zainuddin (engineer), Cik Nurul Hamizah Binti Hassan (technical assistant), Mohd Radzi Bin Razali (technical assistant) and Cik Nur Hafizah Binti Seman (technical assistant), staff of JMJP who have been very helpful guiding me along in my training phase for about 4 months.

Millions thanks also dedicated to Encik Nor Amin Mohd Radzuan the practical training coordinators and all the lecturers of Building Surveying Department that have been extremely helpful all the way through this Practical training semester. Not to forget, thank you to my parents and supportive family for their morale and financial support and encouragement in preparing this practical training report. Thank you.

ABSTRACT

Generally, this practical training report clarifies the information about all of the works, processes and methods on the inspection of the structure and formwork for Projek MASS RAPID TRANSIT Lembah Kelang Jajaran Sungai Buloh-Kajang (SUNGAI BULOH STATION SHARED CONCOURSE LEVEL) .This practical training report is prepared based site visit at the construction site. This practical training report is started with explanation and clarification of company background and background of project. The inspection of formwork and structure isn't as easy as it seen. This inspection need to focus when inspection because if any collapse after the construction, our company will fully responsible to the failure. The inspection must follow the drawing that have been design and all the specification and what have been include in the drawing must be follow to avoid from the failure after the construction. As the conclusion, this practical training report can explain in details about the inspection of formwork to all of the readers.
