titled

**PROPOSED UPGRADING TO THE EXISTING INTERIOR DESIGN
OF CHALET IMPIAN AT TELUK BATIK, 32200 LUMUT, PERAK
FOR MAJLIS PERBANDARAN MANJUNG**

accepted in partially fulfilment of the requirements for a Diploma in Interior Design

Report Supervisor : Mrs. Norashikin Abdul Karim

Course Coordinator : Mr. Abdul Hamid Mohamed

ABSTRACT

This project is all about proposed upgrading of Chalet Impian for Majlis Perbandaran Manjung at Teluk Batik, Lumut. There are two types of chalets which is standard room and family room. There is also an administration building that need to upgrade. The administration building was divided into ground floor and first floor. The location is very strategic because this site is located at Teluk Batik which is known as popular place among the tourist. It is most of visited place to everyone that visit Perak. The focus of this study is to create the welcoming environment. This project in belongs to Majlis Perbandaran Manjung, so that goverment has their on target to achieve the target market from year to year. According to this project, goverment decided to provide maximum facilities to the guest with new concept design which can make guest feel free to come again.

ACKNOWLEDGEMENT

Assalamualaikum w.b.t

In the name of Allah, the Most Gracious and the Most Merciful

Alhamdulillah, all praises to Allah for the strengths and His blessing in completing this thesis. Special appreciation goes to my supervisor, Mrs. Norashikin Abd. Karim, for her supervision and constant support. Her invaluable help of constructive comments and suggestions throughout the experimental and thesis works have contributed to the success of this research. Thanks a lot to my course coordinator, Mr. Abdul Hamid Mohamed for his support and every single word come out from his mouth make me take it as an important point.

I would like to express my appreciation to my husband, Ahmad Haziq Tumiran for his kindness and moral support during my study. Last but not least, my deepest gratitude goes to my late father, Allayarham Che Shalifullizam Ngah and also to my mother, for their endless love, prayers and encouragement. To those who indirectly contributed in this research, your kindness means a lot to me.

Thank you very much

CHAPTER 1.0 INTRODUCTION

1.1 INTRODUCTION

The report studies the primary basis for the implementation of a project for the complete design process. Research project conducted in a thorough impact report produced for every inch of more detailed information. A clear and accurate description to be evidence that the projects based on a comprehensive and true process. Students can organize information systematically obtained through several sources both verbal and written specifically for evaluation able to settle some of these things are already available information arm. In general, each study analysed the project should be carried out from time to time to complete the writing of reports on research projects.

Proposed upgrading 'Chalet Impian' is a research project carried out for the project last semester of Interior Design. Review selected projects based on their importance as one of the resort vacation destination is always the spotlight, especially in the tourism sector undertaking in Lumut area. In line with the objectives of the Majlis Perbandaran Manjung, Perak to make the area under his supervision as the City Tourism and Maritime, Lumut potentially more rapid in the tourism sector as well as a tourist attraction as the main route to Pulau Pangkor
