CHAPTER 1.0 INTRODUCTION

1.1 INTRODUCTION

This report is a comprehensive exercise design, which is students have to prepare interior design scheme according to their final project. The title for my final project is Proposed New Interior Design Scheme of Al Jabbar Hotel.Com for Al Jabbar Group Sdn. Bhd. at Lot 9575, Off Jalan Raja Dr Nazrin Shah, 31350 Ipoh, Perak Darul Ridzuan. This project promoted Al Jabbar Hotel.Com as one of hotel that provide an accommodation and gives an electrostatic therapy for free. Al Jabbar Hotel.Com was launched in 27 June 2010 by Chief Executive Officer Al Jabbar Group Sdn. Bhd., Mr. Kamaruzaman Che Hussain and claimed it was an initiative of an idea by Al Jabbar Group itself. At the early stage, it was a secret project; only certain board of director and a few staff knows and make accomplishment of this project. It was a huge surprise to all staff and customer. In over all, Al Jabbar hotel.Com costly rm700,00 in overall to complete this project. Al Jabbar hotel.Com so unique than other hotel in the market where by Al Jabbar Hotel.Com gives a services of Dr Jism, electrostatic therapy machine for free to all hotel guest, whose undergo disease like stroke, Parkinson, heart disease, diabetes, gaot and else. Al Jabbar Hotel.Com was targeting around Selangor, Kuala Lumpur customer to come and feel the uniqueness of the hotel currently just in Taman Pelangi Semenyih, Selangor. In generally, the current Al Jabbar Hotel.Com has 34 room which is its including budget room, standard room, superior room, deluxe room, triple room and VIP room that classify by the rate of room. There is also a conference hall for occupied 30 to 50 people in one time for such variety small occasions.
