ABSTRACT

Bus terminal is one of public facilities providing by Local Authority for people. The main function of terminal bus is a connection between people to another destination. This is very important to all people as to fulfill their activity like go to work or recreation either in town or village.

Nowadays, there are many terminal bus has been built to fulfill the demand of the people. It is because increase of population and lack of transportation services. Because of that some of terminal bus faced with maintenance problem for facilities and infrastructure provided such as cleanliness, comfortable and not fully functional facilities. And so of that, terminal bus needs to be maintained for public uses day by day.

Furthermore, this dissertation is about study the facilities provided at bus terminal. To define the level comfort and the current condition of Bus Terminal. To identified the existing maintenance management provided at bus terminal for people and their recent management.

In short, this dissertation will study on the Maintenance Management for Public Building focus on Terminal Bus and it is hoped that can come out with rationale solution and recommendation regarding the study area.

ACKNOWLEDGEMENT

First and foremost all praises to Mighty Allah S.W.T. The Most Gracious and Most Merciful for the strength and blessing throughout the entire research until the completion of this dissertation.

I would like to express my gratitude towards my supervisor Mr. Ghazali Mohd Amin for his guidance, invaluable knowledge and support for this dissertation. Without him, this work might not be done successfully. Besides special thanks also to En. Mohd Fazril Akmar Mokhtar from DBKL, En. Badrulhisham B. Md Shah from Melaka Sentral and En. Raman Noordin from UDA MALL Sdn. Bhd.

I also like to give my deepest appreciation to my family and friends for their moral and spiritual support. Last but not least special thanks to those that directly and indirectly contributed towards the progress of this dissertation.

Thank you.
