ABSTRACT

Final project of Diploma Interior Design is base on student understanding about the interior design project in wide scope from to find project proposal,find the client,find the site for the project to the design development process.The selected final project for my final semester is a **Proposed New Interior Design Spice Of India Restaurant For Spice Global** at No.36 Lorong Cheah Cheng Lim Off Jalan Di-Hilir,30350 Ipoh, Perak Darul Ridzuan Spice of India Restaurant was incorporated in 2003,its core business activities lie in operating Indian restaurants. The company's long term strategic objective is to capture the fine dining market. The concept and image is also applied with Indian style through the interior and exterior to appeal the restaurant will be able to lure more tourists and visitors to come. There were several researches done to succeed this Spice of India Restaurant amongst them are site analysis, building analysis, interview, observation and case studies. All these studies have a purpose of identifying the existing weaknesses and also attempt to solve some of the problems that appear. These investigations will be implemented in the design process with the intention to gain an attractive design and also suitable with the Spice of India Restaurant demands in terms of achieve the objectives.

CHAPTER 1.0

INTRODUCTION

1.1 INTRODUCTION

This thesis is one of the requirements for Final Year Students to obtain their Diploma in Interior Architecture of Universiti Teknologi Mara. Every student has to submit their report which includes information about this final project. The report will consist of project research, client information, project and site proposal, case study, concept, style, image, design development and final presentation. Interior Architecture course is an attractive subject where it inspires every student to be creative in life and create new ideas and that is why I would like to propose **A New Interior Design of Spice of India Restaurant for Spice Global**.

Nowadays, people are now like to dine at restaurant. Restaurant is one of those places to dine at this time because their lifestyle is like to dine out. Existing Spice of India Restaurant is located at Lot 41-A, Level 4, Suria KLCC, 50088 Kuala Lumpur and Lot 6-44, Level 6, The Pavilion, 168 Jalan Bukit Bintang, 55100 Kuala Lumpur. Spice Global is the client of my project and incorporated in 2006, evolved from a single fine-dining restaurant to a high-end food and beverages consortium in Malaysia.
