## **ABSTRACT**

The final year project is to proposed a new interior design scheme of Academy Training Center for Custommedia Sdn Bhd. The project is an intention from the client himself to have own Academy Training Center, whereby it has been conducting a training courses at hotel before. Seems hotel have many things to be considerate such as logistic, facilities, and booking times matters, the company decided to have their own building to conduct proffesional training courses. So the site is located at lot G-1 Jalan Kenari 13A, Prima Avenue, Puchong, it is a strategic site in the middle of a town where all the education and business matters are widely operates.

## **ACKNOWLEDGEMENT**

Bismillahirrahmanirrahim

Assalamualaikum w.b.t

I am very grateful to Allah because of the strength and grace had been given to me which helped me in completing this project report, for the littlest of His vast knowledge poured down onto me and for His blessings. I would like to send my greatest thank to my parents who sacrificed everything in their will to make sure and complete this report, for their never ending love and support that had been my backbone throughout the semester in campus. Without their support and sacrifice, I would never dream of finishing this report. I also would like to thank to my supervisor, Mr. Mohd Shahrizan Mohd Said for being a big help and guidance to me all the way in completing the project report. I also like to thank my course coordinator, Mr. Mohammed Nizam Abd. Aziz for helping me out to make ease the process of making the project report technically successful. Last but not least, not to be forgotten Mr. Amiruddin Jaafar Sidek, (COO) of the Custommedia Sdn. Bhd. who willingly cooperate while the research is done.

Thank You.
