ABSTRACT

This Project is about Proposed New Interior Design of Secret Garden Beauty Care Spa for The World of Secret Garden Sdn Bhd.

The client of this project is The World of Secret Garden Sdn Bhd. The idea comes when people are seeking a good product and competitors in local product.. The reason to propose this project is because Secret Garden don't have the own spa anymore. Therefore, the project is proposed to design a Secret Garden spa which may interest and fulfil the aspect of design. The research will involved research methodology such as interview, observation, internet and side references conducted on the products and designing the spa will be gathered with others related information and details which work as guideline to prepare this project. For this propose project site at Ipoh, Perak was choose after had done survey in few places and it seems that the site choose gives good impact and the surroundings suit the business purpose. The objective is to create a very well spa with concept and style that related to this product and give the desire images that needed to enhance the interest of the proprietor.
