Who We Are?

Pishang Store is a restaurant where we provide all the food with the terms of 'banana' . We want to be the biggest and the most popular platform for the store that use banana in our food and dishes.

What We Do?

To provide the highest quality product at the lowest possible price, the best consumer experience in the industry, and respect for our employees, business partners, and community.

INTRODUCTION TO ADMINISTRATION PLAN

The administration plan is a process of planning all the resources efficiently, organize the resources effectively, leading then controlling the resources. Resources are referred to capital, manpower, technology, and materials.

1.0 Objectives

- a) To sell all sorts of 'pisang goreng' flavours to our targeted audience.
- b) Provide opportunities for others to indulge in our business and gain experience from it.
- c) Calculate all the resources affiliated with the business so that the business can run smoothly.
- d) Planning the financial for the business to avoid any unnecessary loses.
