Giveaways at Free Market 3.0

by Seng Hui Zanne

The Malaysian Academy of SME & Entrepreneurship Development (MASMED) Universiti Teknologi MARA Cawangan Pulau Pinang had organised the Free Market from 14 to 15 April 2022 since the first two Free Markets were a great success. The theme for Free Market 3.0 was "Ramadhan Raya" in conjunction with the month of Ramadhan. It was a great opportunity for individuals to get what they needed. All the items were given free of charge to needful individuals, at no charge and they just have to ask nicely. A total of twelve faculties and departments had joined this event, including the Akademi Pengajian Bahasa (APB). A team of APB members – Zanne, Noorli, Marni, Dr.

Illianis, Dr. Isma, Suzana, Melati, Nazima, Ong, Muria and Aileen were in charge of the APB booth in Free Market 3.0. Some of them also donated some items. Other APBians had also contributed to this event by donating the preloved items such as clothes, toys, books, kitchenware, hangers, perfumes and bags. The APB members were able to attract students and UiTM CPP staff to the APB booth and cleared out almost all the donated items in those two days. This event was a huge success with the efforts of those who had participated and the support from UiTM CPP Rector, Prof. Ts. Dr. Salmiah Kasolang.
