

## **The hunger in me**

*By Suzana Ab. Rahim*

Oh honey!  
it's juz 4.20 and i'm hungry  
shall we blame it on the day that is rainy  
or is it the growling tummy  
uttering senseless help me!  
to the mind that's supposed to be brainy..  
alas...for whatever is worth the penny  
will u kindly bring me food. honey?
