## ACKNOWLEDGEMENT

First and foremost, I would like to thank Allah S.W.T for giving me the opportunity to carry out this project, along with the strength in order to complete it, with success.

Among the many people that have been very helpful in the preparation of this project, I would like to sincerely thank my supervisor, Dr. Fakhrol Hazman bin Yusoff for providing me with guidance and support throughout this entire process of completing my project.

I would like to extend my gratitude to my parents for the endless support and doa for my success. Sometimes the simplest advice given by them can lift my spirit and motivate to be a better person.

Besides that, I also would like to thank to Mr. Mohd Yunus Mohd Yusof that always give us tips, guides, explanations and many more in the class. Without him, who am I to complete this project

Lastly, a special thanks to all of my friends especially for their consideration, motivation, and knowledge that has helped me to have a better understanding on this study. Before completing this study, I had less exposure regarding the annual reports but with the help of various friends, I am able to reach an improved comprehension on the project.
